For NEU General Secretary

**Stand with me
for a strong,
inclusive
active union.**

NEU Northern Ireland members tell me that they feel let down. As General Secretary I will support you to fight back.

Education is valued highly in Northern Ireland, it is time that you, the educators were valued too. Whatever type of school you work in, you already know that class sizes are rising, that cuts are being made to subject provision and that children do not have the equipment and resources they need to learn and thrive.

We must ensure there are jobs for substitute teachers, so that those new to the profession don't leave to teach abroad.

VOTING OPEN FROM 6TH FEBRUARY 2023

MY COMMITMENTS FOR NORTHERN IRELAND

- ✓ Lead and win our fight for fair pay and oppose any further cuts to the Education Authority budget
- ✓ Reclaim professional autonomy over what we teach and how we teach.
- ✓ End the excessive workload driven by a lack of trust in the profession and over scrutiny.
- ✓ Ensure our union is the leading voice for positive change in our communities.
- ✓ Transform participation in the union. I will ensure that the voice of Northern Ireland support staff and teachers is heard.
- ✓ Promote equality and inclusion, with our membership's rich diversity represented at every level.
- ✓ Represent the experiences of all members, not just those who shout the loudest.
